Dear editors, news directors and reporters:

The University of Montana and Community Medical Center will hold a press conference Thursday, Aug. 30, to announce a joint venture that will provide a variety of clinical services to people with disabilities. The press conference will begin at 2:30 p.m. downstairs in UM's health services building, in the clinic facility formerly occupied by the UM Department of Communication Sciences and Disorders.

We hope you or someone from your office will be able to attend the press conference. Background information about the joint venture will be handed out at that time.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kristin Rodine".
